

TOWN OF BUFFALO
MARQUETTE COUNTY, WI
APPLICATION FOR MINOR LAND DIVISION

Applicant (Subdivider) Name:	
Applicant (Subdivider) Address:	
Applicant Telephone:	
Landowner Name:	
Location (e.g. address and/or section number, general description):	
Anticipated Timeframe for Project completion:	

When submitting the required Certified Survey Map for a Minor Land Division, all items required in Article IV of the Town of Buffalo Land and Subdivision Ordinance must be submitted. These items are in addition to all information required on the Sketch Plan, but with accurate dimensions and locations for all required information listed on the Sketch Plan Application Form.

A maximum of one (1) CSM may be created for each 40 acres of land in the Town. Once a CSM is created from a parent parcel (e.g. original parcel in existence on the date this ordinance is adopted), any additional CSM's created cannot exceed one CSM for each 40 acres of the original parent parcel.

An owner's certificate and approval signature of the Town of Buffalo Chairperson and Clerk after approval by the Town Plan Commission in accordance with Chapter 236.21(3) Wisconsin Statutes, shall be the only approvals required for recording unless additional approvals are necessary for dedication purposes.
